

## What is a Specialist High Skills Major (SHSM)?

An SHSM allows students to customize their high school experience to fit career interests. Offered in grade 11 and 12, an SHSM allows students to receive a specialized high school diploma that is recognized in various economic sectors in all four pathways.

## What does an SHSM look like?

An SHSM is a bundle of 8 to 10 grade 11 and grade 12 credits that include two Experiential Learning (Co-op) credits.

## What do you get by taking an SHSM?

- Sector-recognized certifications and training
- Real workplace experience
- Learning experiences connected with post-secondary opportunities
- Skills and work habits required for employment success

Specialist High Skills Major

## The Transportation Program, Automotive Service Focus

Delhi District Secondary School

Students in the Transportation SHSM learn the fundamentals of vehicle systems, safe and proper tool use and develop practical skills for the service and repair of vehicles.

*"I enjoy working on cars and I've had a long-time interest in parts merchandising. While in co-op, I learned a lot of different aspects about the job and want to continue with it after I graduate."*

*Tressia Sommer (Grade 12)*

### Benefits of the Transportation Program:

- A focused approach to a career pathway
- Three senior credits (English, Math, and Science or Business) with units contextualized to the transportation industry
- A chance to work in the trade and apply skills and knowledge in a Co-operative work placement (two credits)
- Trade related certifications such as CPR Level A, Health and Safety - Basic, Generic WHMIS, Standard First Aid, Customer Service, Dare to Care - Vehicle Sales and Service, Drive Clean.

*"Working on cars in the Transportation Program has shown me that I do want to be a mechanic once I graduate high school!" Calvin Sanderson (Grade 12)*
