

December

“So often you find that the students you’re trying to INSPIRE are the ones that end up inspiring you.”

Sean Junkins

It’s hard to believe that it is already December. The time has flown by. Every day, Mrs. Plug, Mrs. Czepek, Mrs. Nelligan and Mrs. Rose are excited to be here and work with such a great bunch of kids. Each day we are amazed by new things that they are learning. Many of our art activities are planned to help improve fine motor skills. We have noticed improvement in each students’ individual abilities, whether it is grasping, picking up small objects, holding a glue stick or using scissors to cut. We are very proud of all of our students. They are AMAZING!
