

## Are you interested in an Apprenticeship?

Apprenticeship is an education and training program for people who enjoy learning by doing and who want to work in a skilled profession.

Once education and training is complete, you can receive a Certificate of Qualification, which identifies you as a skilled professional. This can lead to a career in a trade sector such as construction, industrial, motive power and service.

## How to enroll?

Students, 16 years of age or older, who are enrolled full-time in secondary school with 16 completed credits can speak with a Guidance Counselor. Be sure to also ask about Specialist High Skills Major, Co-op and Dual Credit, three additional programs that feature OYAP.
