

January 2018 kindergarten news

HAPPY NEW YEAR!

Hope you've been able to keep warm in the last few weeks, it's been extremely cold so please make sure your child is warm enough for recesses at school. If your child needs warmer items, please let me know and I will see if we have some warmer things to use. Also please continue to have your child practice zipping their coats independently. We teach them to put mittens on last so they can use their hands to do them up!

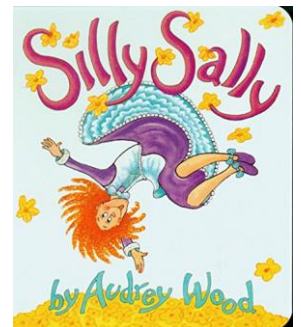

The School January activities will appear on the calendar found on the [School Website](http://www.granderie.ca/schools/thompsoncreek/news): www.granderie.ca/schools/thompsoncreek/news ; see below for dates to remember in our class!

Language/ Math: Don't forget to return reading folders each Monday to exchange new books! It is important to read with your child, try to make some time after dinner or before bed each night. Remember the books sent home are not the only books you can record. Our Math activities will focus on measurement using different tools and of course coming soon will be the 100th day of school. We use the idea that 10 groups of 10 items will get us to 100!

KLLIC: Our current KLLIC cycle story is a big book; "Silly Sally". Students will be predicting and looking at a story map to help them retell the story. The cycle focuses on past tense and present tense and the ending "ed". We will also be making up silly rhyming names for each student and focusing on the /s/ sound.

Remember SK students will bring home a newsletter and "shortened" version of the story to help support this at home. These are to keep.

Library Books: Please help care for and be responsible for it. If it's returned, another book can be signed out. **Please send them back at least once a week.**

Dates to remember:
