

Musselwhite & Hannigan's Kindergarten News

February

Teacher's Corner

Mrs. Musselwhite & Mrs. Hannigan

Reading at Home: Please remember to read with your child each night and record the title of the book each time you read it in the log inside the folder. Please return the folder each day in your child's mailbag. We have had a few students read to 100 already!!! Great job and keep up all of the great reading!!!

Mighty Music Maker: Our Mighty Music Maker presentation (Jazzy January) was a hit!!!! The students were very engaged and loved learning some new songs and even helping to create new songs!

Letter of the Week: OOPS! This was missed on the February calendar that already went home. Here is the schedule for Letter of the Week:

For the week of:

February 5 - Review of C, K, E, R, H, M, D

February 12 - Letter G

February 19 - Letter O

February 26 - Letter U

Math Focus: We have been exploring patterning over the past couple weeks and will soon begin experimenting with different shapes!

Valentine's Day

We will be celebrating Valentine's Day in the classroom by playing some games and watching a Valentine movie. We will not be having any treats and would ask that you please DO NOT send any treats into the school.

Feel free to send in Valentine's for the class if you so choose!

Please find a list of first names to help students when writing their Valentine cards.
