GRANDPARENTS' & SPECIAL FRIENDS' TEA

Grandparents and Special Guests please come and visit our school
Thompson Creek Elementary School.

Thursday, May 4, 2017 9:15 a.m. – 10:45 a.m.

We will begin our Grandparents' Tea with a short presentation (approximately ½ hour) from a selected group of classrooms. There will be refreshments for our grandparents and special guests (a mature role model who has had a positive impact on your child's life) to enjoy a variety of refreshments. After the presentation guests are encouraged to visit students' classrooms to observe or participate in activities. If prospective guests have missed the R.S.V.P. date, send a note via your student to let us know you are interested in coming so that ample refreshments are provided.

Beginning June 5, TCES will switch our nutritional program from snack bins in the classrooms to students who choose to come into the school lunchroom between 8:30-8:40am and have a nutritional snacks to begin their day. We will keep you posted on how the change progresses for the month and whether this will be permanent for the 2017-18 school year.

The construction for our 4-classroom addition is well underway. This is a very exciting time at TCES, but also a time that requires changes in our everyday routines. Parking is available in the field across from the front of the school. Also, please be careful on the school yard in the morning and after dismissal as space is limited. Thank you for your patience during our classroom addition.

All visitors including parents need to stop at the office to sign in before walking to their child's classroom. We have visitor lanyards that you must wear when in the school. This is for the safety of the children.

The Kindergarten Team is looking forward to hosting our Welcome to Kindergarten Event. This information session is for families new to Kindergarten. Important information will be shared that will be helpful to you and your family as your little one begins school. Information will include ideas for nutritious snacks, highlight key points of the Kindergarten program and to insure your child is prepared. You will be able to take home a bag full of vital information and a few surprises that we hope your child(ren) will enjoy. Hope to see you there on **Wednesday, May 17 at 5:30 p.m.**
