Thank you to the Assembly Committee for leading the assembly. We are very proud of our students for volunteering to stand up in front of their peers and adults to celebrate the great achievements here at school. Well done to Lulu Q., Maddie C., Viktorija T. and Abanie C.

Thank you for joining us to celebrate the good happenings and for listening to all the voices at the microphone. Please see the calendar for our upcoming assemblies.

Cashless Banking

We would like to send out a huge thank you to all parents/guardians for their support and understanding with our transition towards cashless banking.

As of this month, all hot lunch orders, milk orders and class trips will be available for payment online, and as per board standards, we are asking that those of you who are able to, please pay for these items online.

The registration process is fairly straightforward. Simply go to www.schoolcashonline.com, select 'get started now' and enter all the required information. At that point, you will be sent an email to complete your set-up.

For those of you who have not yet registered, please don't hesitate to call Mrs. Dunsby or Mrs. McCollum at the office with any questions or concerns.

Thank you to our Volunteers!

Any parents interested in volunteering at our school, please feel free to ask for a police check request at the school office. To those of you who are currently volunteering and have done so in the past here at The Creek, thank you very much for your support.
