### Section 11

This section provides information about Provincial and Demonstration Schools in Ontario and their relationship to the Grand Erie District School Board. Provincial and Demonstration Schools are operated by the Ministry of Education and provide an alternative education option for students who are deaf, blind, deaf-blind or who have severe learning disabilities. They also service as regional resource centres and offer both professional development and consultation services to all school boards in Ontario. Grand Erie regularly accesses these services.

This section lists the Provincial and Demonstration Schools and provides information about the number of Grand Erie students attending each school.

Question 1: Do you have any questions about the information provided in this section of the plan?

Question 2: Do you have suggestions for items or ideas that you feel should be included in this section of the plan?

Please forward feedback from your discussion to Lesley Boudreault and Liana Thompson at:
