Track and Field

Track and Field was a very successful event. Thank you to Mr. Schmidt and the staff for planning such a wonderful day at Walpole. Students who qualified in their events will participate in Super Meet on June 7th at Hagersville Secondary School. Thanks also to the parents who ran the snack table at Track and Field. They raised over \$200!

Parent Council

School Council has wrapped up for the year with our final meeting. The Council has worked hard on many initiatives and has made a big difference at Walpole. Thanks to our members for your work on the Nutrition Program, Hot Lunches, the drainage and water quality issues, family events, classroom donations, and so much more. Thank you to Katrina Visser, for her hard work in the role of School Council Chair and to the Executive members for taking on many responsibilities. All of your hard work is appreciated greatly by the staff, students, and parents.

Playground News

As reported earlier in the year, our playground climbing structure has been ruled unsafe. We have now sold the structure for \$1000 and it has been removed. This also saved us the removal fee. Now, we are starting to plan for a new structure. We are forming a committee to plan and raise funds for a new structure. Many hands make light work. Please call Mrs. Anderson to join us.

Cruise Night

Walpole Cruise Night is back! Students in grade 8 remember it from their early years. Come out for a fun night of cars, food, and music. All families are invited to make a kid car out of cardboard. See the criteria that was sent home. Cars are to be made of cardboard and the student should be able to fit in the car. Classic cars will also be here. If you have a special car or know someone who does, bring it to cruise night!

Fill-a-jar Fundraiser. We are kicking off our fundraising for our new playground. Please donate a jar filled with anything (new)! Jars will be raffled off at the Cruise night. Please send your jar to school next week. See you there!

Thanks, Miss Kate!

You may know Miss Kate as our awesome lunch
supervisor. She is also an extraordinary volunteer at
Walpole. She helps Kindergartens with many daily
activities, helps out with extra events, and even
scribes for EQAO. There are so many ways that Kate
assists our staff and students, we couldn't do it
without her. Thank you, Kate!
