School Council

Thank you kindly for supporting School Council's Little Caesar's Fundraiser. We exceeded our goal of selling 200 items and would like to congratulate Lies Nie for being the top selling family and earning a free pizza kit! Also, congratulations to Mrs. Dekker's Grade 2/3's, our top selling class. They have earned a class pizza party!! We are so grateful and appreciate everyone's support.

Just a reminder that orders will be ready for pick up at the school Friday, March 10 between 1-3pm. Please ensure you make arrangements if you cannot pick up your order yourself as the school does not have storage space over the March Break. We thank you for helping to make this a successful fundraiser! Keep your eyes open for an update from School Council on all the wonderful things happening at Rainham Central! Also, School Council in conjunction with our Student Council, will be hosting "themed days" the week of March 6-10. Just some fun ideas to engage school spirit as we head into March Break. Details are on the monthly calendar and as follows.

Student Council

Participation Points. On each of the following dates the Student Council will be going around to each classroom to calculate the amount of points each class gets for their participation. At the end of the week, whichever class has the most points will win an ice cream sundae buffet (peanut free of course) provided by the School Council.

Monday, March 6th – Blue & Orange Day

Tuesday, March 7th – Career Day

Wednesday, March 8th – Sport/Team Jersey Day

Thursday, March 9th – Crazy Hair Day

Friday, March 10th – Twin Day

Basketball at Rainham Central:

The coed Junior Basketball team had a successful season. Our season consisted of two mini tournaments and one final tournament at DSS. Heading into the final tournament, the team was placed in the 'B' division with three other Haldimand teams. Rainham had a successful day when they ended the tournament with 1 win and two losses. Mrs. Phibbs and Mrs. Dekker are very proud of each of our team members as they showed consistent improvement with their skills and sportsmanship. We are very proud of the boys and girls for representing Rainham in a positive way!

Success For Every Student
