

# Simcoe Composite School Dance Contract

## 2015 - 2016

In order to promote behaviour that is in line with our code of conduct, all students who attend a dance at SCS must hand this form in signed by the student and their parent/guardian before they are granted admittance at the door. **No exceptions will made.**

### Dance Regulations:

1. Students must attend all classes on the day of the dance. If there are extenuating circumstances, students must appeal to an administrator (principal or vice principal) prior to the day of the dance.
2. Doors will open at 7 pm and close at 8 pm. Late arrivals will not be admitted without prior permission from administration.
3. Sign-in students must be accompanied into the dance by their host and the SCS host student will be held responsible for the actions of their guest. No elementary students will be admitted.
4. There will be a coat and bag check at the door. All jackets, coats, purses, backpacks etc. must be left at this location. SCS is not responsible for lost or stolen items.
5. There is no re-admittance into the dance after a person has left.
6. No smoking on school property.
7. No drugs or alcohol permitted on school property or at any school function on or off campus.
8. Students inside the dance are prohibited from opening the gym or stage doors unless an adult chaperone is with them.
9. Students will dress according to the SCS dress code (no headgear, no bare midriffs, backs or cleavage, no underclothes showing, skirts/shorts must be appropriate length, no muscle shirts, no disrespectful images or language). Students who do not meet the dress code will not be admitted to the dance.
10. Anyone who arrives under the influence of any illegal substances (i.e. drugs, alcohol) will be dealt with by administration and possibly police. Students will be suspended for up to 3 days and will not be permitted to attend dances (including semi-formal and prom) for a period of one calendar year. Parent/guardian will be contacted to pick up the student immediately and no refund will be issued.
11. Students will conduct themselves in an appropriate and respectful manner on the dance floor. This means no grinding, twerking, or any other form of dance that is not appropriate in a school setting. If students fail to meet this expectation, they will be asked to leave the dance, parent/guardian will be contacted and no refund will be issued.

Administration, teacher chaperones, and 2 OPP officers are supervising the dance. Application of the above regulations is at their discretion. Please make good decisions before the dance so we can all enjoy the evening.
