

School Newsletter May 2017

The EcoClub has done spectacular work to create opportunities where our Bloomsburg Bulldogs are considering their positive impact on the environment. Congratulations to members of this club, as well as each student who have modified their actions to increase their positive impact on our community!

As we enter the last two months of the school year, students should be dedicated in their focus of doing their academic BEST right up to the last day of classes! We have much yet to accomplish. There will be many opportunities to celebrate the students' achievements. Drop in to your child's classroom at our **Education Week Open house** any time between **5:30-6:30 on Thursday May 4. Book fair will be open.**

Also, plan to attend our year-end gathering: **Bulldog Blast** which will feature, free of charge to you, Canada's ONLY FOUR time Guinness World Record holding illusionist, **Lucas Wilson**! It is certain to be a memorable evening, so save the date....**Thursday June 8 from 5-7 p.m.**
