

# October

## News from Mrs. Rose's ASD Class

It's hard to believe September is over and October has arrived. Our class was very busy in September getting used to new surroundings and new routines in our classroom. Mrs. Rose, Mrs. Plug and Mrs. Czepek enjoy helping the students in our class. Ms. Tenbrinke helped us out in the afternoon during September but is now helping students in other schools. Very soon we will have a new face join us during the afternoon.

### School Helpers

Our class likes helping out around the school. Every morning we collect nutrition bins from the Kindergarten classes and return them to the Nutrition Helpers. The Nutrition Helpers make a delicious breakfast each day!

### Classroom Work

We have been working on developing routines for completing work from our drawers.

We also enjoy making art and crafts.

This month we will be making Fall and Halloween themed crafts.

We like to cook, too! We have made oatmeal muffins, applesauce and pumpkin tarts. Yum!

Colds and sniffles seem to be running through our classroom. You could really help us out by sending in a couple of boxes of Kleenex to help wipe runny noses. Thanks!

### Birthdays and Other Important Dates

There are no birthdays in our class this month. Picture Day is October 10<sup>th</sup>. Closer to Halloween I'll send any info about Halloween activities here at the school or in our classroom
