

*SUCCESS for every student*

# The Hagersville Hornet

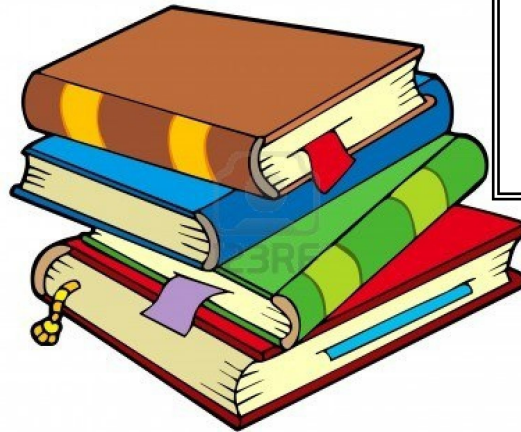

Oct. 2017

We would like to thank all parents and guardians for being diligent in calling in your child's absences as it helps us account for the safety of our students!

When your child is sick please call the school...you may leave a message at the school at any time of the day. Please be sure to include your child's name, class, teacher and *the symptoms your child is experiencing.*

## Lost and Found

Though the year is just beginning, we are beginning to accumulate a small collection of clothing. Please be sure to put your child's name on the tag of your son/daughters' items and we will do our best to help them find their way back to your child again!

Just a reminder, that the library collects Hagersville Foodland Receipts to raise money for updated books and resources. If you would like to donate your receipts please send them into the school c/o Mrs. Kitchen.

**\*\*Just another \*\***  
reminder, Hagersville is a **Nut and Peanut Aware** school. Our school has several severely anaphylactic staff and students. *No products containing these*

*allergens should come into the school.*  
Please read all product labels carefully before packing

## Milk

The cost of the Chocolate milk will be \$0.75/carton this year. Mrs. Coates's class will be selling milk during the afternoon break from their classroom as part of their programming. Please note

students will be able to pay cash for milk daily or by the week. Since the program is being run by the students, tickets will not be sold through the office as done in past practice.

Please note that our website is almost ready, we are still sorting out some of the errors that are posted on the "about section", but we are getting there! Please feel free to visit ... <http://www.granderie.ca/schools/hagersville>
