

SUCCESS for every student

The Hagersville Hornet

We had a great Halloween celebration at school on Tuesday. Our primary parade, led by Mrs. Wilhelmus, was well received by staff and students. The day was very enjoyable and the costumes plus the Orange & Black attire were fantastically done!

Daylight saving has given us a little more light in the morning, but it is also a reminder that the winter is fast approaching. Please be sure to label all clothing, especially as students begin to wear layers in anticipation of the colder weather. We will have our Lost and Found on display for people to find items during parent teacher interviews taking place on November 16th (afternoon and evening) and November 17th (morning).

Progress reports will be coming home on Nov. 13th. Appointment slips will also be coming home at the same time to book interview times. Please take advantage of this opportunity to chat about your child's progress. Teachers will be confirming appointment times early next week, and in the case of families with more than one child, we will coordinate appointment times with other teachers.

I would also like to take this opportunity to make parents aware, that if at any time, the price of a school activity is too much for your budget, you may apply through the office (Mrs. Hughes) to access funds. While the funds are limited we try to subsidize student activities when possible. We plan field trips to enrich the curriculum in our classrooms, and do not want anyone to miss out.

Tuesday February 20, 2018

6:30 - 9:00 pm for parents and professionals

The four 'W's' of Mental Health for Preschool Children and Children with Special Needs (PREVIOUSLY PRESENTED)

Presented by the Community Partners and Early Integration Program, Lansdowne Children's Centre,

Why is mental health important? Practical strategies for the prevention of problems

Where to seek help when an issue arises

****Just another ****

reminder, Hagersville is a Nut and Peanut Aware school

.Our school has several severely anaphylactic staff and students. *No products containing these*

allergens should come into the school. Please read all product labels carefully before packing school lunches.

Every day Counts!!

As we move further into the school year, we would like to remind parents and students that our school day starts at 8:45 am. Being on time, prepared and well-rested are key pieces to your child's success. Here at Hagersville, we like to say "**Every Day Counts**". Building good friendships, developing feelings of belonging and being able to engage in all school activities, helps build a sense of community and self-worth. We would like to challenge all students to strive for perfect attendance on a monthly basis. We will have a draw at the end of each month at our character assemblies to celebrate the success of our students. Please support your child to help us achieve great attendance and build a great school community! Mrs. Hughes (Principal), Ms. J. Boyer (Attendance Counsellor)

November 2017
