

FAIRVIEW AVENUE PUBLIC SCHOOL

November, 2017

Provincial Report Cards will be sent home on November 13, 2017. Interviews will be held November 16 and 17th. If you need to reschedule your interview time, please call the office.

While achievement is important in all areas, staff is concentrating on mathematics and will be learning together with members of the Grandview staff. We will concentrate on number sense and numeration, specifically quantity of a number. Math truly is all around us. Families, talk to your children about math that is all around us.

Dear Fairview Families,
I am pleading with you to make an effort to come to our School Advisory Council Meetings. As a member of our Council, you will be the first to learn about upcoming events within the school. Together, we can make wise decisions that affect our students and their learning. I hope to see some new faces out when we meet on Wednesday, November 15, 2017 at 6:30 p.m.

Respectfully, Danielle Lipson,
Chair of the School Advisory Council (SAC).
