

November Gr. 1 Math

2017

Monday	Tuesday	Wednesday	Thursday	Friday
		1 Halloween Candy Homework	2 Halloween Candy Homework	3 
6 Collect and organize data about your family's favourite dessert. Use pictures to show your results.	7 Use the words more and less to talk about desserts. (e.g., More people in my family like ice cream than cookies.)	8 Can you read and print the number words one to five?	9 Count by 5's. Start at 55. Can you count to 100? Use the hundred chart to help you.	10 
13 Count by 10's from 10 to 100.	14 Can you read and print the numbers and words from 6 to 10?	15 Place 12 small items on a table. Point to each one as you say and count the numbers.	16 Gather 10 small items. Show all the different ways you can make 10 (e.g., 5 and 5 or 4 and 6).	17 
20 Put these numbers in order 36, 33, 38, 34, 35, 37.	21 Start at 18. Count back by 1's all the way to 0.	22 Collect and organize data about your family's top 3 favourite snack foods.	23 Count by 2's. Start at 18. Stop at 40.	24 
27 Count by 2's backwards. Start at 20 and stop at 0.	28 Place 18 small items on a table. Point to each one as you say and count the numbers.	29 Count by 2's. Start at 42 and stop at 60.	30 Put these numbers from greatest to least. 20, 26, 21, 25, 23, 22, 24.
