## Agendas

We have purchased new planners and notebooks in order to help with communication. These will be kept within a red folder so that they are easy to spot in the backpack. This also allows important papers to securely arrive home. If you have upcoming appointments and know that your child will be away please let us know in advance if possible. If you have questions or concerns this is an easy way to communicate daily.

## Remind 101

This is the classroom tool we are using to send quick text/email reminders and notes between home and school.

To subscribe to the **Classroom Remind101** app :

## Random Acts of Kindness Day- Nov. 3

Captain Kindness visited our school on October 27 to kick off our upcoming Random Acts of Kindness Day. He encouraged our students to be kind to one another and be a kindness superhero! We talked about ways to show kindness to others and role-played some ways to demonstrate kindness. For some more ideas on spreading kindness, check out [www.KindnessAdventure.com](http://www.KindnessAdventure.com).

## Progress Reports and Parent/Teacher Interviews

Progress Reports will be arriving home on November 15<sup>th</sup>. I look forward to discussing the academic strategies we are implementing in this treatment classroom in order to meet the needs and abilities of your child.

Notices have been sent home regarding your availability for times for meetings. If you haven't already returned that form, a time will be scheduled for you. You will be given a half hour time slot to discuss any concerns and future academic strategies, as well as transition planning for your child.

## P.A. Days

You may have noticed that Woodview has two P.A. days this month. The first P.A. day is a Grand-Erie scheduled day to afford time for parent/teacher interviews. The second is a Woodview scheduled day in order for staff to attend workshops. Please take note that both are on a Friday.

## Inclement Weather/Bussing

With fall in full swing, it is essential that students dress appropriately for the weather.

When the weather is questionable, please check on the transportation website to find the status of your bus route. <http://www.stsbhn.ca/>

Our school is in Zone 4. If busses are cancelled in Zone 4 then the school is closed.
