Winter is coming! Please remember to send your child(ren) with hats, mitts, scarves, etc., as we will continue going outside for recess throughout the cold winter months. On very cold days, the office will be checking the weather and will decide on indoor recesses based on a wind chill factor chart that the Board Office has sent to each school. Please also be sure to put a change of clothes in your child(ren)'s backpack to ensure they are dry for the class-room.

Just a reminder to parents that there is to be no parking in the bus loop during bus drop off and pick up times.

Christmas Concert/Movie Night Basket Raffle—With our increase in student population and classrooms, school council has decided to split our basket raffle into two. We will have some classes(K-2) bring in items to coordinate with the Christmas concert, and the remaining classes (3-8) will bring in items to coordinate with our movie night in February, which is the usual time for the basket raffle (the Thursday prior to family day weekend). A sign up sheet will be provided to K-2 so teachers will be able to communicate with parents, as to what theme their child's classroom has chosen. The same will be provided to 3-8 in February, closer to our movie night.

We will have volunteers arrange the items in the Christmas Concert baskets and wrap them and we will sell tickets December 15, 18, 19, and 20th.

Wednesday, December 20th at 11:45am will be the dress rehearsal and 6:30pm will be the evening performance. Parents/Guardians are welcome to attend both!

 All visitors including parents need to stop at the office to sign in before walking to their child's classroom. We have visitor lanyards that you must wear when in the school. This is for the safety of the children. Thank you for your cooperation.

Bullying VS Conflict

Conflict is a disagreement between individuals. It can be verbal and sometimes might be physical. It **can** occur more than once, but there is an equality in the real or perceived power of the individuals.

Bullying is unwanted aggressive behaviour, verbal or physical, that involves a real or perceived **power imbalance**, and the behaviour is repeated over time.

Please be sure to call in before 9am if your child will be late or absent. Leave a message with student's name and teacher if leaving a voicemail. (905) 774-5460
