

DECEMBER

Grade 6/7 CLASS NEWS

We will be working away in class this month as we approach the holiday. Students should be keeping up with their independent work including reading their book for their “8 BOX” book report.

Also, there are a lot of extra-curricular activities this month. The grade 7 girls are off to their volleyball tournament on December 8th and the grade 6s have their co-ed tourney on the 15th. They have practiced hard and we wish them the best of luck.

Also, some of the grade 6/7s are partaking “behind the scenes” for our Christmas Concert and Events in areas like Student Council and decorative work. Way to go class!

The grade 6s look forward to their musical trip on December 14th to the “The Little Mermaid”.

Congratulations to our recent award winners: Noah for academic and Wes for cooperation! This time we are on the lookout for a new academic winner and a compassion winner!

Grade 7s should be getting their “heat insulator” ready and grade 6s their “bottle rocket and report” ready for launch by the 15th of December!
