January 8th – Back to School

A huge **thank you** to those who have participated in the James Hillier fund raisers and donation drives. Even though your children are only a part of our James Hillier community for a short time, we appreciate the effort you make to be a part of the school community.

Christmas Concert

We have been rehearsing a song on the recorder to play along with Mr. Kronwald's class for the Christmas concert. For those who are willing and able to play the song, we will participate in the concert on December 20th. There are three scheduled performances. The first is really a dress rehearsal, at 9:30 a.m. The second is our first real performance at 2:00 p.m., and there is an evening performance at 6:30 p.m. as well. If you are able, we would love for the students to participate in the evening performance. The entire school will be watching the play the following day, when we will have one last opportunity to perform the piece.

S.N.A.P. (Stop Now And Plan) We are following our Code Missions and are making apologies when they are needed. Modelling of S.N.A.P. skills happen on a daily basis as we work through a variety of smaller and larger problems. As you know, the parent group for Dec. 6 was cancelled, but we look forward to meeting again in the new year to continue our sessions.

Wishing you and your family health and happiness this holiday season.
Mrs. Telfer, John, Leo and Jordan.
