JANUARY CALENDAR

Dear Parents and Guardians,

January 3rd, 2018

Happy New Year Kinder C Family! We hope you all had a relaxing break and are ready to make 2018 the best year! Remember that all of our classroom notifications and announcements are done through REMIND! If you are still not signed up for the app, please provide us with a phone number and we will add you directly.

Educator's Notes:

- Literacy: We have moved onto consonant clusters! (ck, sh, th, ch, etc.)
- Math: Looking at the numbers from 1-10 with ten frames, number lines, and starting to look at the numbers that make 10 (1 & 9, 2 & 8, 3 & 7, 4 & 6, 5 & 5)
- Science Centre: Arctic animals and SNOW!
- Big Buddies: JK's will be identifying letters and letter sounds in text and how to read a book from front to back. SK's will be working towards reading appropriate level books to their Big Buddies, with their help of course!

Special Reminders:

- Tuesday January 9th- Our class will be participating in a Music Makers workshop in our school's gymnasium with the other kindergarten classes! This workshop costs \$2.00 and can be paid through School Cash Online. Don't let your child miss out on this valuable learning experience!
- Library books are to be returned every day 4 of the cycle, which currently falls on Thursdays. New ones will be sent out each week on the same day.
- Monday January 22nd- Professional Development Day (NO SCHOOL FOR STUDENTS!) **Library days will be pushed to Fridays this week and moving forward**

Special Weather Announcement

Parents and Guardians,

Please be advised that winter is here! We ask that your child is sent to school with proper outdoor apparel each day. This includes boots, mittens, hats, snow pants, and a warm coat. To help your child with this transition, we encourage that you practice with your child, independently dressing and undressing in this winter apparel. We give our students 10 minutes to dress and undress when transitioning from the outdoors to the indoors and vice versa. If your child cannot already complete this task within the 10-15 minute time frame, then it is likely that they are missing out on key learning in the classroom. We appreciate your efforts to continue the learning at home and thank you for being so understanding!

- Ms. Sevier & Ms. Ciaschini
