### Kindergarten Registration Begins January 8, 2018

Grand Erie schools are exciting, enriching places for young learners to receive an education. Here, they learn to explore the world around them, solve problems, and make new friends. Grand Erie's Kindergarten programs help students get off to the best possible start. Children are challenged and encouraged to do their very best and build relationships with caring teachers who are with them every step of the way.

Children eligible for Junior Kindergarten must be four (4) years old by December 31, 2018 in order to register.

Contact Thompson Creek at 905-774-5460 to arrange a visit or to learn more about what's needed to register.

To receive a copy of Grand Erie's *Welcome to Kindergarten Guide*, please contact Mr. Nurse

**Early Pick-Ups**—If you would like to pick up your child (ren) early, we ask that you please make these arrangements with your child(ren) prior to school, otherwise, please call the office before 2:00pm, so that we can buzz the classrooms to let teachers and student(s) know of the change of plans.

It is very busy in the office at the end of the day and our concern is ensuring that everyone receives the necessary messages before buses are being loaded.

We greatly appreciate your consideration in the matter.

Thank you so much!

Parents/Guardians: Thank you for respecting our new rules regarding the bus loop. We greatly appreciate your patience, as this is for the safety of all of our students.
