

## Onondaga-Brant News

January 2018

As the holiday break is upon us I find myself reflecting on the 2017 year. When I look back over the calendar I am amazed at everything that has been done this year. From the whole school production of Camelot to our Holiday production at Glenhyrst there have been many different learning opportunities for the students at OB.

For the month of December, I would like to thank the following:

The staff for organizing a wonderful Holiday Concert and Art Show at Glenhyrst. It was a beautiful night! The weather was nice, the lights were beautiful, the students put a smile on our hearts with their performances and Santa was there! What more could we ask for?

Organized by Mrs. Harley, our Turkey lunch was amazing! There were lots of volunteers and the food was delicious! Thank you.

We had three carol sings with Mr. Murray and Mrs. Pettiti leading us in song. Some of the classes displayed their talents and led us in song or performed things they were doing in class.

Please read the blog for more details and pictures.

I would like to take this opportunity to wish everyone a very happy holiday and may 2018 bring you many memorable moments!

Laurie

## Kindergarten Registration Begins In January

Grand Erie schools are exciting, enriching places for young learners to receive an education. Here, they learn to explore the world around them, solve problems, and make new friends.

Grand Erie's Kindergarten programs help students get off to the best possible start. Children are challenged and encouraged to do their very best and build relationships with caring teachers who are with them every step of the way.

Children eligible for Junior Kindergarten must be four (4) years old by December 31, 2018 in order to register.

Contact Mrs. Smith at 519-753-8885 to arrange a mutually convenient time to register, and to learn more about what's needed to register.
