

**GRAND ERIE DISTRICT SCHOOL BOARD**  
Requires a  
**JOURNEYMAN PLUMBER**

The Grand Erie District School Board's 2,800 employees provide quality education to approximately 26,000 full-time equivalent students who attend our 73 schools. The Board spans a geographic area encompassing the City of Brantford and the Counties of Brant, Haldimand and Norfolk. The Board requires a qualified full-time Journeyman Plumber.

**Responsibilities:**

The Journeyman Plumber will troubleshoot, maintain and repair a diverse range of plumbing and mechanical devices including hot water heating systems, re-circulating pumps, storage tanks, and relevant electrical components in a quick and efficient manner in an institutional setting and at numerous site locations. The successful candidate will install and maintain chlorination pumps, provide water tests and adjust chlorinating solution feed rates to potable water system as well as performing other duties as established in Regulation 1073 for a certified trade under the Trades Qualifications and Apprenticeship Act or as assigned by the supervisor.

**Qualifications:**

- Must have provincial certification as a journeyman plumber which must be maintained by the applicant during the term of employment.
- Must be able to provide own trade tools and possess a minimum of a Class G Driver's License, which must be maintained by the applicant during the term of employment.
- A Gas Technician (G1, 2 or 3) certificate as relating to Ontario Regulation 212 made under the *Technical Standards and Safety Act, 2000*, will be considered an asset.
- Must have excellent oral, verbal and written communication skills and be able to discuss and present information to supervisors, principals, staff, and government agencies.
- Current computer skills to operate within a Microsoft Windows environment, access the internet, use the Board's e-mail system, and with a willingness and ability to train to an operational level in the E-base work order system in a timely fashion.
- Additional qualifications, abilities and experience relative to the duties to be performed may be considered an asset when determining the award of this position.
- Must be knowledgeable in the current additions of the Ontario Plumbing Code, Sewer Regulations, *Ontario Water Resources Act* and all relevant codes.
- Must be able to read blue prints, work from sketches, estimate material and layout and install new equipment.
- Must be qualified to inspect and work on backflow preventers.

**Hours:** Full-time 40 hours per week, 12 months per year

**Effective Date:** As soon as possible

**Hourly Rate:** \$27.95/hour. The Grand Erie District School Board offers a very competitive benefit package

If your qualifications, positive attitude and commitment to excellence make you an ideal candidate for consideration, please submit your application, marked "personal and confidential", which includes a complete resume, cover letter (one document if submitted electronically) with the names and telephone numbers of at least three professional references; your current supervisor must be provided as a reference. Your application must be received by 4:00 p.m. **Thursday February 22, 2018. Apply to:**

The Grand Erie District School Board  
349 Erie Avenue, Brantford, Ontario N3T 5V3

Applicants with a disability that requires an accommodation to enable their participation in the interview process should advise the Board when contacted for an interview. Any assessment and selection materials and processes used in the interview process can be made available in an accessible format, upon request in advance.

All new employees are required to provide an original Police Record Check (which includes a "vulnerable sector screen") acceptable to the Board prior to the commencement of employment.

We thank all applicants for their interest but only those considered for an interview will be contacted.
