

March News

After a wonderful and busy year at home with my little boy Dylan and baby Hazel, I am excited to return to the classroom. I look forward to getting to know your child. Hopefully we will have the opportunity to meet in the next few months. If you would like to meet in the classroom we can arrange a day before or after school. Please read your child's agenda (notebook) daily and do not hesitate to write if you have any questions or concerns.

Reading Folder

We will send home new books in your child's reading folder every Tuesday. Please practice reading the books several times during the week using the reading tips listed and complete a journal entry. Every Monday Miss Meeuswe or myself will read with your child and respond to his/her journal entry. The more practice your child has reading a familiar text, the more it will improve your child's confidence and love of reading.

Upcoming Events

March Break March 12-16th
(No school)

Good Friday March 30th &

Easter Monday April 2nd (No School)

What We Will Be in Learning Math

We will be working on creating, recognizing, and extending patterns. You can help your child at home by creating patterns and having your child fill in the missing parts or continuing the pattern.

Language

- *JK students will continue to work on recognizing letters, sounds, and several words for each letter.
- *SK students will continue to work on recognizing all the sight words and writing simple sentences on their own.
- *We will be working on retelling familiar fairy tales by including the important parts at the beginning, middle, and end, as well the problem, solution, characters, setting, and favourite part of the story.

Sincerely,
Mrs. Katey Stewart
