

Dear Parents/Guardians,

Thank you to all the parents who participated in the FUND RAISING. The Steeped Tea funds will go to help with school activities and the FRESH FROM THE FARM, will help with our wonderful Breakfast Club.

We would like to welcome three new students to our Thompson Creek Class, Avia, Kharma and Logan. They are a wonderful addition to our grade 5 classroom.

Our students enjoyed a day at Kanata Village in Brantford last Tuesday. We were greeted by our host, Dallas, and taken on a trip through the woods, a Long House and created a Wampum Belt. This week we are completing our Native Studies Unit by listening to the class presentations on the various First Nations groups in Canada. (FYI: there are 634 different Indigenous Peoples in Canada)

Math tests from our unit on Multiplication and Division will be coming home to be signed and returned this week. We will begin our new unit on Measurement, Area and Perimeter. Please check with your child to see that they have a **cm** ruler, they will need it for this unit.

Our Science unit on The Human Body, will be wrapping up this month. Please keep an eye on your *Remind App* for dates.

The following are important dates for the month of April.

Tues. April 3rd - Steeped Tea Orders due	Fri. April 13th - PD Day, no school
