Have you completed the Kindergarten Parent Survey yet?

<http://oursurvey.ca/kps>

If you are a kindergarten parent, please complete the Kindergarten Parent Survey by May 31st, 2018 and you can enter a draw for a chance to win a \$50 Walmart gift card!

The information that you provide will help answer important questions about experiences that affect the early development of children in your community. The survey data will be used by your local municipality to plan for early years programs and services in your community.

Help us make our neighbourhoods, schools and communities better places for kids to live, grow and play.

Spring is in the air! That being said, there are often days that can be wet/muddy out on the playground. Please remember to send spare clothes to school with your children, as when there are slips/falls at recess, they may end up needing a change!

**Kindergarten Registration Continues At TCES!**

Children eligible for Junior Kindergarten must be four years old by December 31, 2018 in order to register. Contact Thompson Creek at 905-774-5460 to arrange a visit or to learn more about what’s needed to register.

To receive a copy of Grand Erie’s *Welcome to Kindergarten Guide*, please contact Mr. Nurse.

**GRANDPARENTS’ & SPECIAL FRIENDS’ TEA**

Thompson Creek Elementary School

Friday, May 11, 2018

9:15 a.m. – 10:45 a.m.

We will begin our Grandparents’ Tea with a short presentation (approximately ½ hour) from a selected group of classrooms. There will be refreshments for our grandparents and special guests (a mature role model who has had a positive impact on your child’s life) to enjoy a variety of refreshments. After the presentation guests are encouraged to visit students’ classrooms to observe or participate in activities. If prospective guests have missed the R.S.V.P. date, send a note via your student(s) to let us know you are interested in coming so that ample refreshments are provided.

**Early Pick-Ups**—If you would like to pick up your child (ren) early, we ask that you please make these arrangements with your child(ren) prior to school, otherwise, please call the office before 2:00pm, so that we can buzz the classrooms to let teachers and student(s) know of the change of plans.

It is very busy in the office at the end of the day and our concern is ensuring that everyone receives the necessary messages before buses are being loaded.

We greatly appreciate your consideration in the matter. Thank you so much!
