## **The End of a Good Year!**

### **The End of a School Year!**

I would like to take this opportunity to thank all students, parents, and volunteers for their help in and around the school and classrooms. Especially those parents who continually gave up their time taking our class on field trips. I know both the class and I greatly appreciated the days you joined us! I know sometimes our lives get busy and often a simple "thanks" is forgotten. It has been a very busy and fulfilling year. I have enjoyed working alongside parents and their children this year. I want to wish you all a wonderful summer vacation with your children!

### **Year End Class Trip**

The Grade 4/5 class will be having their pen pal/year end class trip on June 25th to Hagersville Splash Pad and Park. Information will be coming home soon including information and permission forms. We will need parent volunteers/drivers for the trip. If you are interested please let me know by checking off the volunteer portion of the form, let me know how many students you can take, and ensure that you have a valid police clearance check. Trip form will be due on June 15th.

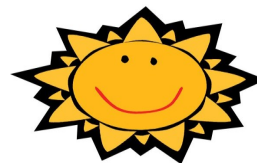

### **Library Books**

Shortly, the library will be closing for the school year, so please check to see that your child has returned all school library books. This way we can ensure that all books are filed

correctly back into the library. This will allow us to more easily look for any missing books.

### **Questions and Concerns**

If you have any questions or concerns, please write a note in your child's agenda. This is a good way to communicate back and forth, and I will respond as soon as possible.

**Scholastic Book  
Order is Due  
June 7!!**

## **June Curriculum Areas**

### **LANGUAGE**

Oral Communication: Presenting scripts and play to class, as well as, practicing good listening and speaking strategies.

Reading: Script reading (reading with fluency), text features, independent and guided reading, and continuing our novel study for City of Ember.

Writing: Persuasive writing, proper use of punctuation, journal entries and responses.

DRAMA: Rehearsing/Presenting Plays.

### **SOCIAL STUDIES**

Grade 4 is finished Social Studies for the year, and Grade 5 is working on completing their final unit with Mr. McNeice.

### **PHYS. ED/HEALTH**

Outdoor co-operative games, and soccer baseball. For Health, we will be discussing growth and development.

### **MATHEMATICS**

Daily math problems from all sections of math, a unit on fractions and decimals, math center activities, and problem solving questions integrating several areas of math.

### **SCIENCE**

Grade 4-Habitats
