Preparing for secondary school is an exciting time! There are many decisions for students and their parents to make including which school to attend, what classes to take, and what extracurricular activities to be a part of. That's why Grand Erie District School Board has designed a series of information nights to help students and their families make the best possible choices. Future Grade 9 Student and Parent Info Nights began in November and continue up to the February registration deadline. For the full schedule, including specialized programs, visit www.granderie.ca.

Food Drive

Our Annual Food Drive: 10/10!

Our Food Drive Campaign begins this week, and runs until December 17th. We really appreciate the continued support of students and their families to donate non-perishable food items, along with personal care items, to be distributed to those who may need a little extra help this holiday season.

Something new this year is our 10/10 challenge! Each student is challenged to bring in 10 food items and/or 10 coins of any value to donate to the food bank. Of course, we value donations of any size and quantity. There will be a box for items, and a jar for collecting the change donated. Thank you for your generosity! It means so much to our community!

We are also looking for 'decorations' for our Annual Pair Tree. Please send in new pairs of mittens, socks, hats, and scarves to place on the tree. Hand-made items are appreciated just as much as store-bought items. If we all do our little bit, we can accomplish something big in the community!

Thank you for your continued support! We are all 10/10!
