Dear Glen Morris Families,

Welcome back and Happy New Year! I hope everyone enjoyed the Christmas break. Our Glen Morris staff is looking forward to a productive and positive January. We will continue to follow our School Achievement Plan and focus on improving student assessments to inform teacher instruction.

Please note that we do our best to keep you all updated about school activities and events through our monthly school and classroom newsletters. If we have any upcoming specials events, we send flyers home. We have been informing you about school events through our school messenger system as well. Our school newsletters can be found on our school web-site. If you have any further questions or concerns, please know that you can always reach us at school.

Please be aware that registration is now open for Kindergarten students registering for 2019-2020. Please contact the school for further information about this.

Kind Regards,

Before and After School Care at Glen Morris School

We need to know if you're interested in accessing Before and After School Care at our school. This is your opportunity to tell us whether a program would meet the needs of your family. If enough parents show interest to run a viable program, a third-party provider will coordinate the service at our school for a fee in 2019-20. Submit your interest by completing this online survey before February 8, 2019.

A REMINDER of EARLY SCHOOL CLOSURE PROCEDURES

Our school procedures for early school closure are as follows:

- If our internet is working, a voicemail/email will be forwarded to all parents and/or guardians to inform you about the closure.
- If our internet is not working, the staff will be using their personal or school phones to contact families.
- Students with older siblings will be sent home on their regular bus. Students who have permission to walk will be sent home. Instructions as per your emergency forms will be followed.

IMPORTANT NOTE

- **Younger students** who do not have any older siblings in the school will be contacted first. **Parents/guardians of younger students MUST contact the school immediately** after receiving notification from the school so arrangements can be made for their pick-up.
- If you have any questions, special circumstances or need further clarification, please contact the school.
