April 2017

HIGHLIGHTS OF MARCH

Staff v.s. Student basketball game....

On Thursday, March 9th, several staff members played a fun, yet competitive basketball game against the boys' and girls' school teams. The two teams were neck and neck during the first three quarters of the game but then with some quick feet and fast passing the staff pulled ahead to win the game.

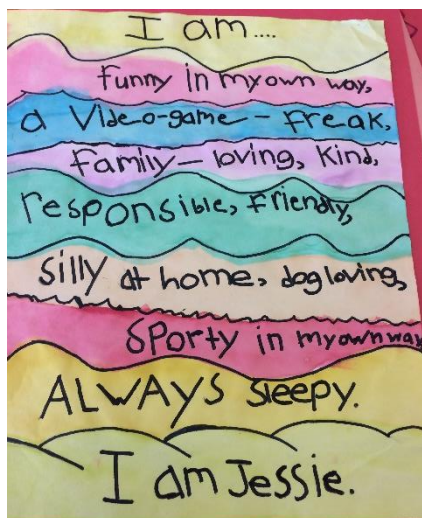

Poetry!

Throughout this newsletter you will see poems written by the grade 3 and 4 class. We have had fun trying different types of poetry and writing about ourselves, our family and friends, our pets and our favourite things!

ME to WE Club Throughout March, the Me to We club focused on the importance of financial literacy and we ran another fundraising campaign. We Create Change encouraged everyone to bring in whatever spare coins they had. Each class got a special jar and their totals were added up throughout the month. In the last week, right before March break, totals were added up every day to see which class would win the grand prize – a pop and chip party. Although it was a close race, Mrs. Hickey's class came in first by raising \$112! They were followed by Mrs. Butler's class with \$92.95 and Ms. Ashenden's class who raised \$82.13. All classes put in a great effort and deserve a huge round of applause.

As a school, our spare changed added up to over \$450! The Me to We club would like to thank everybody for contributing to our campaign and helping us move towards our goal of funding a classroom in Sierra Leone. We're not done yet, so stay tuned for information on our next fundraiser. Together, we create change!
