

# Prince Charles School Newsletter

June 2019

## PRINCIPAL'S MESSAGE

*Allie Cole*

### Next School Year

Plans for our next school year are already under way! There will be a few staffing changes that will be shared with families at the end of the month, once they are finalized. A final year-end Newsletter will go out in the last week of school.

### Library Books

Please return all library books to Prince Charles by Friday, June 14. Thank you for your cooperation in helping us keep our library organized.

### School Trip Volunteers

Please remember police checks are required to attend class trips. There is still time to get one for yourself if you are interested in accompanying your child(ren). Please see Mrs. Stocco for a request letter, if needed. These checks are good for two years, so getting one now makes you available for the next couple of school years.

### Primary Play Days

Thank you to Ms. Mrkonjic and her Grade 6/7 class for organizing the Primary Play Days, which will take place on the Monday and Tuesday mornings during the last week in June. Students in Grades K-3 will be invited to participate in these activities. Parents, please remember to send hats for students and put sunscreen on them that morning; they will be outside for several hours.

### EQAO

Thank you to all of our Grades 3 and 6 students who wrote the EQAO test this year. Results will be sent home to parents in the fall.
