Dear Paris Central Families,

The following letter is going out to all Grand Erie Families. The purpose of this letter is to provide an overview of time limited health and safety measures that the Grand Erie District School Board is implementing when students return from school following winter break. Aligned with ministry direction and in consultation and partnership with the Office of the Chief Medical Officer of Health (OCMOH), to help mitigate against any further impact on the health and well-being of school-aged children, elementary schools will be required to **implement daily on-site confirmation of screening prior to arrival at school for at least two weeks following winter break.**

Please complete the following screening with your child each day prior to sending your child to school each morning beginning January 3, 2022. School screening can be found at: <https://covid-19.ontario.ca/school-screening/>
