

Many organizations are available to support you in understanding the I.E.P. and/or to provide additional resources. The principal of your school can provide the names of the organizations that serve your area. This information is also available in the Special Education Advisory Committee's brochure, available at your local school.

INDIVIDUAL EDUCATION
PLAN (I.E.P.)

A Guide for Parents

“Special education cannot be defined in a single statement. It is a process, a journey that takes different routes for different students at different times in their educational careers. An IEP provides the roadmap for the completion of that journey.”

Special Education in Ontario
Schools 4th Edition 2005

Why Does a Student Have an IEP?

What is an I.E.P.?

A written plan that:

- Describes the special education programs and services your child needs to be successful.
- Lists your child's strengths and needs affecting his/her learning.
- Records supports and services that help your child learn and demonstrate learning.
- Identifies expectations that are changed (modified) from your child's age-appropriate grade level.
- Identifies alternative expectations in program areas that differ from the Ontario curriculum. (i.e. social skills, personal care etc.)
- Includes a transition plan for all students who have an IEP, whether identified as exceptional by an IPRC or not, for a variety of contexts that may include: entry to school, between grades, movement from elementary to secondary, movement from secondary to post-secondary, etc.

Every student who is identified as exceptional by an Identification, Placement, and Review Committee (IPRC) must have an I.E.P.

Students who are not formally identified as exceptional but who require a special education program and/or services have an I.E.P. when:

- The School's principal decides that the student will be assessed using modified expectations and/or
- The student regularly needs supports and services (accommodations) for instruction or assessment.

What is my role as a parent?

- Take part in developing the I.E.P.
- Provide up-to-date information that will help in developing and implementing your child's educational program.
- Practice skills at home that your child is learning at school.
- Share information about skills your child has learned at school and has transferred to home and the community.
- Maintain open communication with your child's school.
- Ask questions.

What can I expect from the school regarding the I.E.P.?

- A copy of the I.E.P. (within 30 school days of the initial IPRC, change of placement or placement in September).
- That the I.E.P. is written in clear, plain language.
- Ongoing participation in the I.E.P. process.
- Being informed of meeting times, and the topics to be discussed at your child's I.E.P. meetings.
- Regular communication from the school regarding your child's progress.
- That the I.E.P., as a working document is reviewed every reporting period.
