

REGIONAL ONTARIO YOUTH APPRENTICESHIP PROGRAM

DID YOU KNOW

By 2025 it is expected that Canada's labour shortage will reach 1.2 million and that 40 percent of occupations will be in the Skilled Trades. These stats offer up incredible career pathways that are full of potential in the future!

Our website www.oyapskilledtrades.ca is a partnership between community stakeholders and the 2 school boards (BHNCD SB & Grand Erie) supporting students to prepare for career opportunities along their journey.

The site will engage students, teachers, and parents to explore the benefits of Skilled Trades. Our goal is to raise awareness by promoting many exciting options in these professions. This will start a lifelong career of respect, well-paid jobs and personal success.
