

Reflection for Community Involvement Activity Hours - Paid Employment

Student Name:

If you are submitting paid employment hours toward the Community Involvement requirement, complete the following question prompts and return to your school along with the Notification of Completion of Community Involvement Activities form.

1. Civic responsibility means *active participation in the public life of a community in an informed, committed, and constructive manner, with a focus on the common good.*

How does your work experience benefit those in your community? Please be specific and provide examples.

2. What have you learned from this experience when it comes to working and helping people?
