Dear Paris Central Grade 7/8 and French Immersion Families,

I am writing to you today to let you know that we need to reorganize some of our class structures at this time. I am hoping this letter provides clarity on the process and decisions that have been made.

Due to low enrollment in our French Immersion classes this year, we will have to collapse one classroom and create 2 split classrooms to our French Immersion Program. We are required to do so to meet the requirements laid out by the Board and Ministry of Education. Here are the changes that will occur at the school:

1. Mme Hendel's French Immersion Grade 6 classroom has been collapsed
2. Our three French Immersion classes will be merged to create two split classrooms: grade 6/7 classroom and grade 7/8 classroom respectively
3. M Lien will teach the grade 6/7 French Immersion
4. Mlle Dent will teach the grade 7/8 French Immersion
5. Mmm Hendel will teach the grade 7/8 English classroom
6. Mr. Mike who was assigned to the grade 7/8 English classroom will transfer to another position within the Grand Erie School Board.

All the above changes will take effect on September 27th, 2021. Staff will work with the students to make this transition as smooth as possible for all students affected.

Although making such changes three weeks into school is not ideal, we are confident that your child will have a great year in their class, and we look forward to working with you as partners in your child's education. If you have any questions, please do not hesitate to call me.

Kind Regards,

Latha Reuben
Principal
