Dear Paris Central Families,

It was nice to hear that so many of you participated in the parent-teacher interviews. Please note that you can reach out to us anytime during the year if you have any questions or concerns about your child.

A big thank you to all staff, especially Mr. Mallon for all his work in organizing the Virtual Remembrance Day Presentation. The students did a fantastic job to show tremendous respect and gratitude to our heroes.

As colder temperatures begin to set in, please be sure to send your children bundled up with their winter gear so they are dressed appropriately during outdoor recess. Please do remember to have an emergency back-up plan in place for weather-related, early school closures. Child care arrangements at home or on the same bus route should be made well in advance. Our school procedures for early dismissal was sent to all families in October.

On behalf of the entire staff of Paris Central, I would like to wish you all a happy and safe holiday season!

Kind Regards,
Latha Reuben

School Sports

Our Junior Volleyball team played very well in the tournament last Friday. We played 6 games and won 5 of them. Our success at the tournament allows us to continue to play. We will be one of four teams playing in the Elite Eight tournament on **Wednesday, December 1st at Branlyn school at 9am.** A letter with details and the permission form was sent home with your child.

We are very proud of our team's accomplishments last Friday. They played with skill, organization and enthusiasm, and we look forward to seeing more great competition on Wednesday.

Please note that due to COVID-19 restrictions, no spectators or drivers are allowed into sports facilities at this point in time. We will keep you notified of any changes.

Congratulations to our Intermediate Boys and Girls Volleyball teams for their excellent performance during our tournament at PDHS. They won their last game against Glen Morris. Way to go Pumas!

We are proud of all our athletes and happy that we can participate in extra-curricular sports again.
