Hi King George Families!

Get ready for Spring! Winter will be over and warm days are coming! We're thrilled to announce that our seed fundraiser is launching soon, offering a fresh, green way to support your students' school. The proceeds of this fundraiser will go towards assisting students with costs of field trips.

This isn't just any fundraiser; it's a chance to offer high-quality, eco-friendly seed packets that appeal to everyone—from seasoned gardeners to those just looking to add a little beauty to their space. Think vibrant flowers, delicious herbs, and fresh vegetables, all while earning great profits for your group.

Mark your calendars! Our seed fundraiser will run from **February 2nd, 2026, to March 1st, 2026**. This gives us plenty of time to grow our success together and get your seeds to you by March Break!

To order, please visit:

<https://makeitsow.com/shop/#code-submission>

enter our school specific code:

KGS_2026

Thank you for your continued support at King George School!
