## January Newsletter

### From the Principal's Desk

MAPLEVIEW : JANUARY 2026  
MUSTANG NEWSLETTER

Welcome back Mustangs! We hope that everyone had an enjoyable holiday.

With winter likely to be in full force, students need to remember that being dressed for the weather is very important. Students should be prepared to be outside unless the wind-chill factor is extreme and/or the yard is too icy.

Younger students should have a change of clothing. Hats, mitts, gloves etc. should be labelled with each student's name.

Kindergarten registration for September 2026 has begun. Families that plan to register students for kindergarten are asked to do so online by visiting [www.granderie.ca](http://www.granderie.ca)

Please encourage anyone that is planning to register a child for kindergarten to do so by February 13th.

January is the perfect time for an Attendance reset. Parents,

you can help by reinforcing routines, ensuring good sleep habits, and knowing when it's okay for your child to attend school. Our goal is for students to attend 90% or more of the school days for the year.

Please do your best to have students arrive on time at school for the 8:45 bell so they can enter the school with their class. Prior

to the holidays we had a larger number of students trickling in through the front doors.

Thank you to everyone that supported our many November and December events. Together we collected over 2000 items for the food bank, raised money to purchase new books for the library and hosted a "Festive" lunch that everyone participated in. A special thank you to our School Council for supporting these projects.

#### Important January Dates

New Year's Day	1st
Back to School	5th
