### Review of the 2019-20 Annual Operating Plans

Each fall, Grand Erie's Senior Administration team presents their Annual Operating Plans (AOP) to the Board of Trustees. The AOPs connect directly to the indicators in Grand Erie's Multi-Year Plan, [Success for Every Student](#), and guide the work of the system throughout the year.

Each May, Trustees are provided with an update on the AOPs, including: Community (pages 99-100), Environment (pages 101-104), Equity (pages 105-106), Technology (pages 107-110) and Well-Being (pages 111-116). The AOP for Achievement is presented separately through Grand Erie's Student Achievement Plan. To review the results of the 2019-20 AOPs, see pages 97-116 here: <https://bit.ly/3bSnlqL>.

### Major Construction Update

On Monday, Trustees were given a status update on the major construction projects underway in Grand Erie. These projects include: the child care renovation at Hagersville Secondary School (pictured left) and the child care addition at Central Public School in Brantford. The biggest news of the report is that after a five-week hold due to COVID-19, construction at both child care sites resumed on May 11. This report supports the Environment indicator of Grand

Erie's Multi-Year Plan, *Success for Every Student*. To review the report, see pages 93-96 here: <https://bit.ly/3bSnlqL>.

### 2017-20 Strategic Communications Plan – Year 3 Evaluation Update

Grand Erie approved its 2017-20 Strategic Communications Plan in March 2017. Created by the Strategic Communications Ad Hoc Committee, the plan aligns with the Board's Multi-Year Plan and includes four streams: Leadership, Internal Communications, Marketing and Branding, and Public Relations. Within each stream is a number of objectives as well as a list of activities, timelines and outcomes.

Each May, Trustees are presented with an evaluation of the Strategic Communications plan. This year, the evaluation report also includes a draft Crisis Communications Plan for the Board. This plan was created by the Crisis Communications Plan Ad Hoc Committee that was created in September 2019. To review the Year 3 (2019-20) evaluation, see pages 33-60 here: <https://bit.ly/3bSnlqL>. This report supports the Achievement indicator of Grand Erie's Multi-Year Plan through the following statements: "We will set high expectations of our students and staff. We will monitor, measure and reflect on our outcomes."
