Volleyball Tournament at SCS

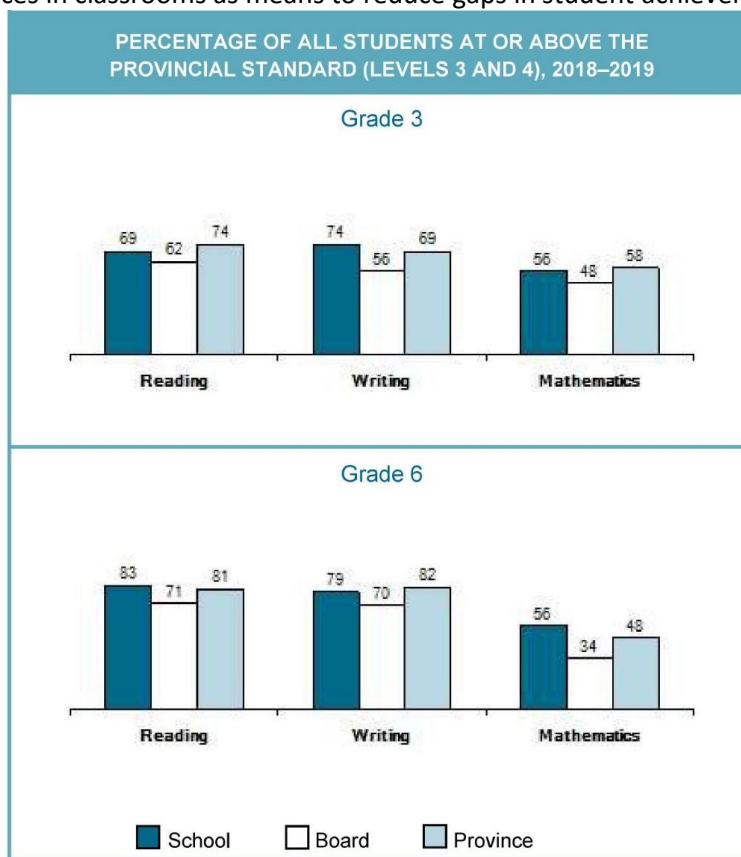

Nov 29<sup>th</sup>- am SCS concert band  
performance, skating: Bingleman,  
Fawcett & Little's Gr. 4s

### November 2019

Lakers had a busy month in October filled with numerous academic and athletic achievements! The junior and Intermediates did well at their tournaments with excellent coaching thanks to Mrs Bilinsky and Mr Whiton. Our Intermediate team placed first in the Norfolk Elementary School tournament and went on to the CAGE tournament where they placed SECOND in the board! Students who participated in Norfolk County Fair's Road Race placed first – thanks Mr Carson. At the annual Norfolk Elementary School Cross Country competition, Lakewood Elementary School won an amazing 8 pennants out of a possible 12! Mr Forneri led this group with pride as the pennant winners were announced! Top cross country competitors went on to CAGE to further their achievements. Many student entries at Norfolk County Fair added to our overall pride of accomplishments. Congratulations Lakers, well done!

Our student academic achievements are clear. Thanks to exemplary instructional practices and effective parental support, Lakewood Elementary School students learn and achieve.

Below are the Spring EQAO results for our school, board and province. You will see that our results are above board results in all areas. We use these results, as well as the daily achievement results observed by teachers throughout learning experiences in classrooms as means to reduce gaps in student achievement.

Character Focus for November is Perseverance  
*SUCCESS* for Every Student

### Track fundraising update

On October 18, our Lakers participated in a team marathon event throughout the day. It was a fantastic way that students were able to contribute to this project. Total donations **surpassed \$12,000!** Way to go Lakers!

Here are the results for the top groups:

- In primary, the class that raised the most (an average) were the Junior Kindergartens.
- In grades 4 and 5, the colour house that raised the most was ORANGE.
- In Grades 6, 7 and 8, the team that raised the most was "9 Laker Ladies and 1 Guy".

The individual students who raised the most:

- In primary it was Memphis F in Mrs. Abbott-Smith's Grade 1 class.
- In 4/5 it was a tie between Rebecca C in Mrs. Bingleman's class and Matthew C in Mrs. Jepson's class.
- In 6/7/8 it was Lorelei K in Mrs. Kitchen's class. Lorelei was our overall winner for fundraising, bringing in over \$1000 in donations!

The last student fundraiser available to students for the track will be sent home with students on Monday November 4. Various jerky, pepperette and flavor products will be available for sale. Products are provided through **Western Survivor Beef Jerky Co**, a local company choosing to support our Track fundraising project. Order forms and money are **due Tuesday November 12**. Orders will be ready for pick-up during parent interviews (November 14 and 15).

The Lighthouse Festival Theatre is hosting an evening of music with the tribute band 905 on **November 15**. All proceeds will go directly to the track project, including a Silent Auction. Purchase tickets directly through Lighthouse Festival Theatre's box office.

Visit our fundraising committee's website [www.backontrackportdover.ca](http://www.backontrackportdover.ca) A direct donation letter is available on this website.

### Friendly Reminder

If you are picking up your child/children for an appointment, please send a note to the teacher with your child in the morning stating the time for pick up. We realize emergencies arise, but any end of day changes need to be communicated to the office by 2pm. All early departures must be signed out at the office. School ends at 3:10 pm. **JK/SK students for pick up are let out at 3:00 pm.** Parents are to meet at the kiss and go gate at the back of the school. Please introduce yourself to the educator so we know that each child is being picked up by the correct person.

### Fire and Lockdown Drills

Schools are required to complete three Fire Drills and One Lockdown Drill in the fall and again in the spring. Our three fall Fire Drills are now complete. This month we will practice a Lockdown drill, an important safety procedure.

### Snack Program

**If you are interested in volunteering, you must have a current police check on file.** Contact the office for more info.
