

# December Update

Season's Greetings! I want to take this opportunity to thank you for sharing your beautiful children with me each and every day. It is my pleasure to work them and watch them grow. Have a very blessed and safe winter break with your family!

This month is going to be full of excitement and holiday joy! We will continue with curriculum but will also take some time for fun and excitement as we celebrate the Twelve Days of Christmas. A calendar of events can be found online and a paper copy was sent home on coloured paper. Please give to our Christmas Baskets fundraiser if you are able to do so. The community very much appreciates your generosity.

## Progress and Updates

Please note that you are able to contact me anytime through the year to discuss your child's progress. We do not have to wait for a reporting period for you to call or come in. Email [kimberly.pelich@granderie.ca](mailto:kimberly.pelich@granderie.ca) to arrange a time to chat.

## Important Dates

Please refer to the Twelve Days of Christmas Calendar.

## Agendas

Please send your child's agenda to school each day. We record spelling words, important dates and send homework / paperwork from the office in them.

## Curriculum Update:

**Math - Data Management - Graphing and Data Collection**
