December 2020 Important Dates to Remember

Dec 21 to Jan 1 Board Designated Holidays
Jan 4 School Resumes

Dear Paris Central Families,

It was nice to hear that so many of you participated in the parent-teacher interviews. Please note that you can always reach out to us, anytime during the year, if you have any questions or concerns about your child.

A big thank you to Mr. Mallon for all his support in organizing the Virtual 2019-20 Grade 8 Graduation. Staff members were delighted to present the awards and offer words of encouragement to our Grade 8 graduates. Congratulations to all our graduates!

As colder temperatures begin to set in, please be sure to send your children bundled up with their winter gear so they are dressed appropriately during outdoor recess. Please do remember to have an emergency back-up plan for weather-related, early school closures in place. Child care arrangements at home or on the same bus route should be made, well in advance. Our school and board transportation procedures for early dismissal can be found on the following page in this newsletter. Please read them carefully.

On behalf of the entire staff of Paris Central, I would like to wish you all a happy and safe holiday season!

Kind Regards,
Ms. Reuben

EARLY SCHOOL CLOSURE PROCEDURES

Our school procedures for early school closure are a little different this year. The plan is as follows:

- If our internet is working, a school messenger voicemail and/or email will be forwarded to all parents and/or guardians to inform you about the closure.
 - Kindergarten and grade 1 families will go to the Kindergarten doors to sign your child out
 - Grade 2 - 6 and Grade 6 FI families will go to the front door to sign your child out
 - Grade 7/8, Grade 7 FI and Grade 8 FI families will go to Mr. Mike's classroom door located downstairs (on Broadway) to sign your child out
 - If you have indicated that your child can walk home or take the bus on your emergency dismissal form, they will be sent home as per your instructions
 - A personal phone call will be made for students remaining at the school. These students will remain at school until we connect with each other.
- Please note that if you have more than one child within the school, you will still need to go the designated doors to sign each of your children out. This enables us to account for each child that we are dismissing.
- If our internet is not working, the staff will be using their personal or school phones to contact families and all the above procedures will be followed. Please note that they may be identified as "No caller ID".

IMPORTANT NOTE

- If you have any questions, special circumstances or need further clarification, please contact the school at 519-442-4163.
