Important Information about Inclement Weather Days

We are Zone 3

When buses are
cancelled, school will be
closed.

For those interested in
doing schoolwork on
inclement weather days,
assignments will be
available on Brightspace.

Dear Paris Central Families,

Our classroom teachers continue to work diligently with students and focus on their academic, physical and emotional growth. There were many exciting projects that the students were engaged in. Our students celebrated Black History Month and learned about Canadian Heroes who contributed to our society. Some classrooms engaged in Novel Studies and read captivating books such as *The Giver*, *Bridge to Terabithia*, *Number the Stars*, *Charlotte's Web*, *Wonder*, *The Inuk Mountie Adventure*, *The Spirit in the Rainforest* and so on. Our Kindergarten/Grade 1 students enhanced their creativity and math skills, learning how to count to one hundred in various ways leading up to their hundredth day celebration in the classroom. Our JK/SK students were engaged in inquiry-based learning when they discussed birds. It is always amazing to see students applying various skills and strategies to learn and to grow.

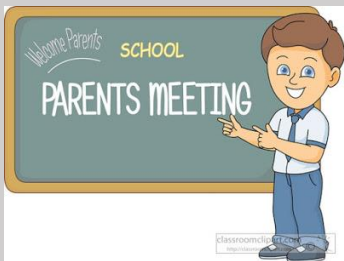

If you have questions or concerns about your child's progress, please feel free to contact us.

Kind Regards,
Ms. Reuben

Parent Council Meeting

*Come and join our Parent Council Committee!
All parents/guardians are invited to attend our Virtual Parent Council Meeting on **Tuesday, March 9th at 6:30 p.m.***

*Call or email the school to join our monthly meetings.
Hope to see you on Teams!*

Outdoor Recess

Unfortunately, due to the accumulated ice on our schoolyard, students and staff have not been able to enjoy outdoor recess for the past few days. We are really hoping that the ice melts soon so we can safely enjoy our time outdoors.

Please note that classroom teachers have been giving students their mask breaks during gym activities. Some teachers have been able to take their students to designated outdoor areas (where there is no ice) and on community walks so they can get some fresh air.

We require permission forms for your children to participate in community walks, so if you have not completed them, please take a few moments to do so and return it to the respective classroom teacher as soon as you can.

End of the Day Pick-ups

At the end of the day, when students cannot be dismissed from the school yard because of ice or rain, we will be dismissing them through the large side door on Broadway Street. We have many students boarding onto

school buses and we need to make sure that every student is safe and on the correct bus. We are asking parents who walk their children home from school, to kindly steer clear from this area during this hectic time to avoid congestion and confusion. Please leave the area immediately after you pick up your child/children. There will be pylons placed to create a clear path so students can walk safely to their buses. We truly appreciate your cooperation and patience in this matter.
