Dear Paris Central Families,

We remain grateful to all the families who have been diligent in following the Ministry's COVID rules. Our students have been fantastic; they wear their masks, keep their distance, and remain in their cohorts. With the warmer temperatures here, classroom teachers have been able to provide more mask breaks for their students throughout the day. We appreciate your ongoing patience and support during this pandemic.

Paris Central School students exhibited their fantastic sense of school spirit in March. Students showed their creativity and enthusiasm on Green Day and Beach Day. Pyjama Day/Cozy Day remained their favourite spirit day. We saw a lot of sports fans on Hat Day and Jersey Day. Way to go Pumas!

Our School Council meets every month, virtually on Teams. We welcome you to join us.

Enjoy the spring break!

Kind Regards,
Ms. Reuben, Principal

Grade 8 Graduation Photos

Graduation photo process at Paris Central School will be as follows:

- May 4th has been reserved for our Graduation Photo Day.
- Students will be standing for the photos, so no stools are used.
- There are no camera cards distributed, the information on the cards is now stored at the camera.
- The photographer comes with enough gowns, one for every student. Each gown is used by one student and staged for a minimum of 24 hours before it is reused.
- We also have a set of red on white sashes that will be used, one per student.
- There will be no shared props (roses/diplomas)
- Students can bring in their own props if they wish (e.g., diplomas for their photos using white paper and red ribbon, roses).

Please see the Edge Imaging's [Reminder Notice](#) posted under April Newsletter for further details.

If the Graduates wish to purchase the 11 x 14 Graduation composite and folder, the link can be found on the Reminder Notice for online purchase.

Before and After School Care Survey 2021-22

Before and After School Child Care programs provide children with more opportunities to learn and grow outside of regular school hours. Not-for-profit agencies already operate many programs in Grand Erie schools for children from Kindergarten to Grade 6.

We are asking parents/guardians to complete a survey by **April 16, 2021** to determine if there is enough interest to offer a program at Paris Central Public School.

The fees for Before and After School Child Care programs are determined by the provider and can vary with costs ranging from \$16 to \$24 per day, per child.

Please note: the completion of this survey does not guarantee that a Before and After School Child Care program will be offered at Paris Central Public School.

To complete the survey, please follow this link: [Before and After Care 2021-22](#)
