March 25 – Hot Lunch: Pita Pit

March 2022

We are thrilled to announce our newly renovated Learning Commons is up and running! In the last two months of school, teachers have scheduled their classes to experience learning within our new environment! Upgrades include new flooring, paint, blinds, ceiling, lights, book shelves, moveable tables, comfortable horseshoe-shaped seating, 20 computer tablets, a green screen for media presentations, interactive presentation board with wall-mounted projector and a LEGO wall.

We are grateful for the collaborative efforts of our school staff and system personnel who have made this dream a reality to benefit Lakewood students. Combined financial commitments from Grand Erie District Board, Lakewood Parent Council fundraising, Lakewood School funds and a donation from the Reppington family in memory of the late Carol Reppington, a former Educational Assistant of Lakewood, have transformed the space of our Learning Commons.

A school Learning Commons provides an environment to enhance student inquiry, collaboration, research, presentation, innovation, and creativity. We look forward to a time in the future where we can showcase this new space to you in person, when this is possible.

Lakewood Parent Council

Join our virtual meeting on March 7th at 6 pm
All parents are encouraged to participate!
