Policy Statement:

The Grand Erie District School Board is committed to assessment, evaluation and reporting to ensure the learning, well-being and belonging of all students. The primary purpose of assessment and evaluation is to improve student learning. Reporting communicates information about learning to students and parents. Grand Erie educators implement assessment and evaluation practices which are grounded in the belief that all students are able to demonstrate their learning regardless of socio-economic status, ethnicity, gender identity, geographic location, first language and/or need for special services.
