The 'PYTHON'

Thank You

A huge thank you to **Robin Ripski, Leanne Schmidt, Shelley MacKenzie, Jacki Blenkinsop, Sabina Mughal, Joan Faux, Sherry Mountenay, Kelly Searle, Nancy Waldschmidt, Shona McCrea and Lisa Stowe** for organizing, setting up and cleaning up all the wonderful events and the BBQ for the Meet the Teacher night. The night was a great success thanks to all of these dedicated parents.

Our Grade 7 and 8 students were terrific in planning the games and running them so effectively for our younger students. All the proceeds will go toward the year end trip for the students who participated.

Special thanks to No Frills for their generous contribution towards our food purchase.

Dropping Off Students

Please drop off your children where signs indicate. It is important to be courteous to other parents who are also trying to let their children get to the school. Please remember, however that there is no stopping where the buses park or on the island side of the street.

REMINDER: PARIS CENTRAL IS A NUT-AWARE SCHOOL

As you know, Paris Central is a **Nut-Aware School** as we have students who are allergic to a variety of nuts and nut products (Peanuts and Tree Nuts).

All student lunches should not contain anything with nuts or nut products (including peanuts and tree nuts). Teachers have each been given a budget from school funds to provide treats for their class on special occasions. **Please do not send in any food products to share with your child(ren)'s classmates. This will ensure the safety of all our students.**

Safety Patrollers

We are very fortunate to have had several students volunteer to be Safety Patrollers this year. A special thank you is extended to them for dedicating their time to this very important job.

Please teach your child (children) to use the appropriate crossing locations to ensure the safety of all of our students.

Special thanks to Mrs. Stewart for organizing our patrollers.

Supervision at Dismissal Time

Supervision of the playground at dismissal time is only for ten minutes (3:20-3:30).

Students are asked to leave the school property within this timeframe. If they have parental permission to play on school grounds after school, please have them leave the property and then return.
